Celebrating God's Goodness Embracing Our Mission Looking Forward in Faith

Our Campaign Vision is:

To align our Values, Mission, and Resources to step forward in faith toward God's plan for South Park Community Church's future.

May, 2018

We are enjoying and utilizing the blessing of worshipping in a sanctuary that was dedicated 144 years ago. Across the street a manse was built 95 years ago that now serves as our fellowship hall. These were both achieved and paid for through the faith-filled sacrifices of South Park Community Church members and friends of previous generations above and beyond their regular giving. They foresaw a place to express a shared faith in worshipping God.

Now the old manse/fellowship hall building is ready for new opportunities. Our need is to renovate, repurpose and rebuild that facility into administrative, educational, fellowship and multipurpose spaces while keeping in mind our goals for expanding our mission in our community, for the next 5, 10, 20, or more years.

We've been blessed with a Reclaiming-Revisioning Work Group that has worked tirelessly over the past 9 months. Thanks to everyone who has given input and feedback to help get the best ideas as to how we can transform our existing space to fulfill our future mission.

We're inviting you to be a part of our Capital Campaign Kickoff Event immediately after the Sunday, June 10, 10am Worship Service. It will be followed by a brunch and question & answer session across the street.

Our campaign is not about guilt, pressure or gimmicks. It is a campaign of the heart!

It is about building... building devoted, mature Christians. Building active stewardship into our lives. Building ministry and outreach. And, yes, building a center for our ministry.

It is about changing lives.

It is committing ourselves to the vision that God has set before us.

It is about knowing Jesus Christ and making Him known to others.

It's an exciting time for us as a congregation, and we hope and pray that you'll support both the Reclaiming-Revisioning Work Group and the Capital Campaign Work Group through your ideas, suggestions, and prayers over the coming weeks & months as we work to fulfill God's calling for us in this Campaign.

We very much hope you can be with us on June 10th!

Sincerely,

Dave Sykes

If you have photos of either the manse/fellowship hall building or the church from an earlier time, we'd very much like to make them a part of our kickoff. Please e-mail copies of any photos to Kenny Shaw pastor@soparkcc.org or bring them to the church office by Sunday June 3.

We love because He first loved us and sent His Son to be the sufficient sacrifice for our sins. (1 John 4:19 & 106)
